A meal must contain 3 of the 5 daily offered components (including a fruit or vegetable) in order to approve a meal by USDA Meal Requirements. Without 3 components, with one being a fruit or vegetable, all items on the tray will be priced Ala Carte and likely cost more. Encourage you kids to always grab a fruit or vegetable! If your child does not want the main entree, they can ask for an alternate entre. M,Th=Cheeseburger, Tues,Fri=Pizza, W=Chicken Wrap or the Daily Chef Salad. Please be aware Chef Salads are not always available in the cafeteria. **ALL BREAKFAST/LUNCH (NSLP) meals are currently FREE for ALL Students.** . If your child brings a lunch and wants milk, be sure they have 50 cents in their account or cash to purchase. Milk is not given or considered a free/reduced item without the meal as it does not meet the NSLP requirements. We offer 1% Chocolate or White Milk.. Free/ Reduced Applications are always available in the cafeteria. Contact us if you'd like one sent home. [sheims@bsd.k12.in.us](mailto:sheims@bsd.k12.in.us) Questions about the NSLP or NSBP?
