A meal must contain 3 of the 5 daily offered components (including a fruit or vegetable) in order to approve a meal by NSLP Requirements. Without 3 components, with one being a fruit or vegetable, all items on the tray will be priced Ala Carte and likely cost more. Encourage your kids to always grab a fruit or vegetable! If your child does not want the main entree (highlighted in gray), they can ask for a peanut butter sandwich (comes with jelly and string cheese). We also offer Chef Salads to 2nd grade and up. Please be aware Chef Salads are not always available in the cafeteria. If your child brings a lunch and wants a milk, be sure they have 50 cents in their account or cash to purchase. Milk is not given or considered a free/reduced item without the meal as it does not meet the NSLP require-
